Dear Mrs. Child,

**Highways Act 1980 – Proposed application to stop up highway**  
**Highway adjacent to 58-68A Hulse Road, Salisbury**

I refer to a request received by Wiltshire Council to consider applying to the magistrates' court for the stopping-up of land recorded as being part of the highway at the above location. This section of highway concerned is shown shaded blue on the enclosed plan. The request has been made by the owners of the adjacent properties.

If this proposed application were to be made, and granted by the court, the public would no longer have the right to pass and repass over the land. In principle, the Area Highway Engineer is satisfied that the section of highway is unnecessary for public use or any other highway-related reason and that the remaining highway would be sufficient for the public. Please note that the proposal is not an application for planning permission.

I would be grateful if Salisbury City Council would consider this matter and let me know, using the enclosed form, whether you consent to the making of an application. Please contact me if you have any queries concerning the proposal. Thank you.

Yours sincerely,

**Kevin Gale**
