Dear Mrs. Child,

**Highways Act 1980 – Section 116 Application**  
**Proposed stopping up of highway adjacent to 64 Wellington Way, Salisbury**

I refer to a proposal being considered by Wiltshire Council to apply to the magistrates' court for the stopping-up of a section of land in Salisbury, which is recorded as being part of the highway. The section concerned is shown on the enclosed plan and the Council has been asked by the owner of the adjacent property (no.64) to make an application.

If an application were to be granted and an Order made, the public would no longer have the right to pass and repass over this land. The Area Highway Engineer is satisfied that the highway is unnecessary for public use or any other highway-related reason.

I would be grateful if Salisbury City Council would consider this matter and let me know whether you have any queries relating to the proposal. If not, please complete and return the enclosed form to indicate whether you will give consent.

Thank you.

Yours sincerely,

**Kevin Gale**
