This Brochure

Salisbury City Council has developed this brochure with local clubs to enable people to easily find the activities that suit them. The listings include practical details like age ranges, accessibility and cost but we also include information on their ethos to help you find the right activity for you. Whoever you are, whatever your fitness level, age or experience of sports - there is an activity out there that can get you moving, improve your skills level or get you back to something you love doing and this brochure is a great place to start. If you think you could help us share this brochure with residents of Salisbury, or if you wish to be included in the next brochure, please contact us at bhc@salisburycitycouncil.gov.uk

About us

This brochure is created by Salisbury City Council Activity Leaders and supported by Salisbury Sports and Activities Forum. Our Activity Leaders work to improve access to active lifestyles in many ways, including running activities and clubs across the city. We also work to raise awareness of the excellent clubs and providers in our area and to encourage and support the growth of new ones.

What else can we do for you?

New Groups

Are you interested in starting up a new sports or activity club in the Salisbury area? Do you have a few people willing to work with and support you to do this? We can offer support, guidance, access to facilities and connections to funding and coaching qualifications to help you create new and existing clubs in the Salisbury area.

Existing Groups and Clubs

If you run a sports, dance or physical activity group or club you can join the Salisbury Sports and Activities Forum to network, share ideas and concerns and work as a unified voice to improve sport and active lifestyles provision in our City.

Coaching Support

We are always looking to support more people into coaching as volunteers, additional work or as a career. If this is something that may interest you, we would love to hear from you!
