

Highways Improvement Request Form

Issue Details

Location of Issue:	Parsonage Green, Harnham SP2 7DQ
Community Area:	Salisbury
Parish or Town Council:	Salisbury
Nature of Issue:	
Parents on the school run to Harnham primary schools parking in the turning circle at the far end of this very narrow residential road while they drop and collect children (see picture below). This makes it impossible for residents or delivery vehicles to turn safely, and they have encountered abuse when motorists have been asked to move. They are experiencing the same problem with the parking layby opposite their homes but due to the layby being within City Council ownership it is not included in this application.	
How long has it been an issue?	Since TRO introduced in Hollows Close & Folkestone Road, traffic has moved here instead. Several years.

What would you like done to resolve this issue?

Residents request that double yellow lines are painted in and around the turning circle.

Have you been in touch with your local Wiltshire Councillor? (Yes/No)
