Issue Details

Location of Issue:

3 Milford Mill Road SPI 2RT

Community Area:

Salisbury

Parish or Town Council:

Milford..

Nature of Issue:

Parking opposite to an entrance to property either preventing access/exit or making this difficult, Milford Mill Road suffers problems for residents due to the parking of visiting vehicles along this "particular section of road There has been an increase in this non resident usage since the redevelopment of Little Manor Nursing home on Manor Farm Road, Number3 is the property nearest to the end of the road for quick access to Nursing Homes and the city centre. Therefore vehicles prefer this spot for parking and increasingly on the area of road directly opposite the entrance to this property, If a vehicle the size of a Ford Transit Van and larger is parked in driveway they cannot gain access to exit and the same if a vehicle wishes to enter the driveway.I am therefore requesting an access protection line on the road opposite to this entrance.
