## Issue Details

<b>Location of Issue:</b>	Tollgate Road, Salisbury, outside Salisbury 6 <sup>th</sup> Form College.
<b>Community Area:</b>	Salisbury
<b>Parish or Town Council:</b>	Salisbury City Council
<b>Nature of Issue:</b>	
<p>School pupils need to safely cross the wide road on Tollgate road beside Salisbury 6<sup>th</sup> form College (S6C) and currently there are NO safety signs in place, no Slow down it's a school sign, no pedestrian crossing. Students are aged 16-18 and are often distracted by phones etc. According to statistics provided by Road Safety Observatory 457 pedestrian children aged 16-19 were killed or seriously injured in UK in 2022.</p> <p>I know that cars take a short cut through Tollgate road when traffic is bad on the main road and they tend to come fast round the corner. It is a wide road and not easy to cross or see cars coming. I think there should be a pedestrian crossing in place to give some protection to pupils of Salisbury 6<sup>th</sup> form college who are crossing the road throughout the day.</p>	
<b>How long has it been an issue?</b>	Since the college was established, I believe over five years ago.
<b>What would you like done to resolve this issue?</b>	
<p>I would like a pedestrian crossing put in place for students to safely cross and a sign telling drivers they are nearing a school coming from both directions.</p>	
<b>Have you been in touch with your local Wiltshire Councillor?</b>	Yes
