Issue Details

Location of Issue:

Estcourt road, Salisbury

Community Area:

Salisbury

Parish or Town Council:

Salisbury City Council

Nature of Issue:

I am writing to bring to your attention an issue regarding the loading bay on Estcourt Road, Salisbury (SP1 3AS), where our convenience store is located at 33-35 Estcourt Road.
There are several other businesses on this road, and many deliveries occur frequently. However, the current loading bay is situated between residential permit parking, and the signage and road markings are not clearly visible.

How long as it been an issue?

More than a year

What would you like done to resolve this issue?

We kindly request that the loading bay be moved to the front of our store, which would make it more accessible for all businesses and help clear the bus stop for its intended use. Our store alone receives four major deliveries each week, along with daily deliveries from Royal Mail and other parcel services. Additionally, there are at least four daily deliveries from various suppliers to other businesses on the street.
