Issue Details

| | |
|---|------------------------|
| Location of Issue: | Castle Street |
| Community Area: | Salisbury |
| Parish or Town Council: | Salisbury City Council |
| Nature of Issue: | |
| There is insufficient prior warning of the height restriction of the Castle Street railway bridge. This leads to large vehicles having to reverse along Castle Street and up the turning of Wyndham Road to turn around. This causes considerable chaos when traffic is queueing behind the high vehicle. | |
| How long has it been an issue? | Ongoing |
| What would you like done to resolve this issue? | |
| I would like a warning sign installed before the Wyndham Road turning, perhaps by the bus company premises. | |
| Have you been in touch with your local Wiltshire Councillor? (Yes/No) | Yes |
