## Issue Details

<b>Location of Issue:</b>	Junction Milford Hill / Shady Bower / Laverstock Road
<b>Community Area:</b>	Salisbury
<b>Parish or Town Council:</b>	Salisbury City Council (Milford)
<b>Nature of Issue:</b>	
Dangerous crossing, no provision for safe crossing of this junction. There's no longer a crossing for pedestrians at Laverstock Road to get to "The Avenue" opposite. The crossing was <u>very</u> dangerous anyway as pedestrians had to go half way across before they could see cars exiting Godolphin School / Laverstock Road traffic. No pavement to get into a position to see clearly as Godolphin School projects into the area. Until recently we made a short cut through Godolphin School. It takes less than a minute! We have been told Pedestrians not permitted! It is very dangerous. One elderly man was turned back.	
<b>How long has it been an issue?</b>	Some months
<b>What would you like done to resolve this issue?</b>	
A <u>safe</u> way of crossing. A consideration by Godolphin School to allow pedestrians to access the safe option. We have used it, causing no difficulty for many years. There has been a recent change in governance there. It is the school's protruding wall that causes this unavoidable dangerous situation.	
<b>Have you been in touch with your local Wiltshire Councillor? (Yes/No)</b>	No

***This form needs to be completed and e-mailed or sent to your local Town or Parish Council.  
Town and Parish contact details are available via the link below:***
