Issue Details

Location of Issue:	Primrose Road
Community Area:	Salisbury
Parish or Town Council:	SCC Bemerton Heath Ward
Nature of Issue:	
Insufficient car parking space. Primrose Road is a late addition to Bemerton Heath, it is a close with narrow two lane width roads, largely without off road car parking space provision apart from the apparently well used garage site. With most of the older generation no longer in situ there is a high proportion of families with their increased reliance on cars. Residents have taken to parking on the teardrop grassed area and the top of the grassy bank managed by SCC.	
How long has it been an issue?	A growing problem over the last 10 years.
What would you like done to resolve this issue?	
Looking for a combined approach between WC housing (for the garage site and numbers of council tenant affected) SCC for scope of land alongside Primrose Road and WC Highways Officer to consider possible solutions to increasing parking capacity for Primrose Road residents. This should also consider the teardrop grass area currently used as overflow parking and the green triangle leading to No.7 as a possible driveway to front of property.	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	Yes

This form needs to be completed and e-mailed or sent to your local Town or Parish Council. Town and Parish contact details are available via the link below:
