Issue Details

Location of Issue:	Somerset Road, Cul de Sac
Community Area:	Salisbury
Parish or Town Council:	Salisbury City Council
Nature of Issue:	
Parents parking on the junction of Somerset Road, at pick up/drop off times and cannot access the road. If an emergency vehicle needed to access the road they would not be able to. There is an accident waiting to happen.	
How long has it been an issue?	over 5 years
What would you like done to resolve this issue?	
I would like double yellow lines put on the junction. They are on one side, just not understanding why not on the other? We would be able to drive down our road and also so would Emergency vehicles. Also either side of the school parents are parking on the zigzags and double yellow lines. Parking attendant was there a couple of days ago and was advised he could not do anything unless on double yellow lines. They also park on the roundabout in Somerset Rd, which I believe is illegal? Can anything be done on this?	
Have you been in touch with your local Wiltshire Councillor? (Yes/No)	No
