1. Introduction

- 1.1. Salisbury City Council (SCC) is committed to safeguarding adults with care and support needs from harm and wish to ensure there are procedures in place, which, as much as possible, provide for their safety. As the SCC operates a number of activities which may be attended by vulnerable adults, it is important that a robust set of procedures is adopted to protect individuals and the Council.
- 1.2. This policy is based on the advice given in the Wiltshire Safeguarding Adults Board Policy and Procedures for Safeguarding Adults in Wiltshire (March 2017)

2. Responsibility:

- 2.1. Every member of staff, volunteer or councillor who supports activities involving vulnerable adults, has a duty of care to themselves and to others and should familiarise themselves with the procedures relating to this policy

3. Designated Officer Role and Responsibilities:

- 3.1. The Communities Manager will be the **Designated Officer (DO)** for Vulnerable Adult Protection issues
- 3.2. Activities undertaken by the City Council which are likely to involve these people should be reported to the DO prior to their commencement. The DO will then undertake, with the support of the initiating manager, a full risk assessment of the activity and recommend any risk mitigation actions. This risk assessment and any subsequent actions will be formally recorded and this record will be maintained by the DO

4. Definition of an 'Adult at Risk'

- 4.1. An 'Adult at Risk' is defined as any person aged 18 years and over who is or may be in need of community care services by reason of mental health issues, learning or physical disability, sensory impairment, age or illness and who is or may be unable to take care of him/herself or unable to protect him/herself against significant harm or serious exploitation

5. Reporting Procedures:

- 5.1. Where there is a suspicion of Adult at Risk abuse taking place it must be reported following the process as outlined in Wiltshire Adult Safeguarding Board referral document **EDMS DOC 73311** Annex A
- 5.2. Any concerns regarding the suspicion of adult abuse taking place must be raised with a Line Manager or the DO
- 5.3. Concerns raised with a Line Manager must be reported by that Line Manager to the DO at the earliest opportunity. If the DO is unavailable then the incident must be reported to the City Clerk
- 5.4. The DO will consider further actions required

- 5.5. Concerns, discussion, decision and reasons will be recorded in writing using Adults At Risk Concerns Log **EDMS DOC 73338** Annex B
- 5.6. The key issue is to ensure that any suspicion of adult abuse is promptly reported and that all staff understand that is their responsibility to do so
- 5.7. Staff, volunteers and councillors should acquaint themselves with types of abuse and how to recognise signs of abuse. Details of these are shown at Annex B
- 5.8. Where there is an allegation against staff/volunteers, it should be reported as above using
- 5.9. Furthermore **all** incidents involving staff/volunteers will be reported to the City Clerk
- 5.10. If the DO is unavailable then the incident should be reported to the City Clerk in the first instance

7. **Confidentiality:**

- 7.1. It is important to ensure confidentiality about any suspicions, or allegations being made by an adult at risk. Whilst it is recommended notes should be made as soon as possible, these should be treated in confidence until required by investigating authorities

8. **Emotional Distress:**

- 8.1. It is possible that anyone having abuse reported to them or identifying the signs of abuse may be affected emotionally. In such cases staff, volunteers or councillors should contact the SCC's Communities Manager for advice and support

9. **Procedures:**

- 9.1. Guidelines on precautions and checks to be carried out should be followed at all times. Advice on whether an activity requires special measures in place is available from the Communities Manager

10. Staff Criminal Record Checks:

- 10.1. A basic check is requested for all staff or volunteers who may come into contact with adults at risk and don't meet the need for an enhanced disclosure
- 10.2. SCC will have carried out an assessment on whether the role need an enhanced DBS check. An example of the questions considered can be found at <https://www.gov.uk/find-out-dbs-check>
- 10.3. Anyone not holding an EDBS check may not support activities where there is a possibility of unsupervised contact with an adult at risk occurring. In this situation they must be fully supervised by a member of staff who does hold an EDBS check. The DO must also be made aware of this supervision
- 10.4. If the person continues in the role the SCC will reapply for an Enhanced DBS every three years in accordance with procedures
- 10.5. This policy is written to allow for staff, volunteers and councillors to begin working with adults at risk in advance of the appropriate check being completed, therefore allowing effective service delivery whilst at the same time ensuring that no adult at risk is exposed to risk of abuse

11. External Staff Bought in Staff:

- 11.1. If an activity requires the buying in of outside expertise e.g. entertainers or trainers, then said providers **must** produce their own EDBS certification which should be checked using the following criteria
- 11.2. Only the original document can be accepted as proof of an EDBS – photocopies will not be accepted
- 11.3. Certificates of more than 2 years old **will not** be accepted
- 11.4. If for exceptional reasons, staff **without** EDBS certification are to be used, then they must not have unsupervised access to adults at risk at any time during the course of activities. This must be included in the risk assessment and action plan for the event or activity
- 11.5. Furthermore, the use of uncertified staff must be reported to the DO in advance of the activity taking place

 - **Modern Slavery**, encompasses slavery, human trafficking, forced labour and domestic servitude. Traffickers and slave masters use whatever means they have at their disposal to coerce deceive and force individuals into a life of abuse, servitude and inhumane treatment

- Any or all of these types of abuse may be perpetrated as the result of deliberate intent, negligence or ignorance**
