2. Your application

<p>Youth Bursary Grants must be used solely for enabling young people ages 11 to 19 to participate in learning, creative, physical or social activity they could not otherwise afford.</p> <p>Why are you applying for this Grant and what evidence do you have of the need for bursary places for your activity?</p>	<p>.</p> <p>We started off The Friary project alongside the council last year, since then we have had very positive feedback from children and parents in their confidence and ability. However, the cost of the courses have prevented some children from attending so we would use the bursary to cover the cost of the course for those unable to afford it.</p>
<p>What will your criteria for allocating Bursary's be?</p>	<p>To those children from lower-income households where cost of the courses might be a barrier to attendance.</p> <p>Living on the estate where the courses are delivered – Bemerton/Friary.</p> <p>Not for other Impact MMA courses</p> <p>To the parents who have previously expressed that cost is an issue.</p> <p>We will advertise with the following sentence “if you are having trouble with the costs of this course, and live on the (heath/Friary) please get in touch with the course leader about bursaries supported by Salisbury City Council”.</p>

Does Your organisation currently offer bursary places and if so, how is it funded and do you publicly advertise them?	We do not currently offer any bursary places.
