<b>Nature of Issue:</b>	
<p>I have been given permission for a drop kerb and driveway at my address. There is currently a single resident's parking bay directly outside my house and the approval (Ref LK 16446) states that I need to apply to have the TRO amended to reflect what is on the road – i.e. the removal of the parking bay lines. I have been advised to request this from you. A copy of the licence and conditions is attached for your reference.</p>

<b>What would you like done to resolve this issue?</b>	
<p>Please would you arrange to have the parking bay lines removed as needed for my drop kerb and driveway which is going to be done by Boswell's early in the New Year.</p>
