What would you like done to resolve this issue?	
<p>The bus stop could be re-located could be re-located within an estimated distance of 30 metres on a section of the road (nearer to Bartlett Road) without housing on either side of the road. This would reduce congestion outside houses and is a more open location for a bus stop.</p> <div style="text-align: center;">  </div> <p>Image One is the current location of the bus stop.</p>
