<p>Parking issue every Saturday and Sunday</p> <p>The area of concern is the blind bend as you come into Stratford sub Castle where parents park for football in the field behind our house (Farthing Cottage) AND Hudson's Field rugby & football matches.</p> <p>They park as you can see on both sides of the road making it completely blind for someone coming from the village and from town. There have been some near misses.</p> 	
How long has it been an issue?	Several years
What would you like done to resolve this issue?	
<p>I am requesting double yellow lines on the corner to discourage parking for safety reasons, (which should work as long as people restrict their speed to 30 mph!)</p>
