LOSS OR DAMAGE

The hirer is responsible for the hired site at all times during the hire period. It is the Hirers responsibility to check the area on arrival and bring any concerns to the attention of Salisbury City Council before the hire commences.

Any damage must be reported to the Council immediately.

If an area is damaged Salisbury City Council will assess and seek professional advice (if required). They will pass on all costs to repair/clean to the hirer.

LIABILITY

The Council shall not be liable for any loss, damage or injury arising out of the use of or failure of the equipment or any defect in them save for the liability in respect of death or personal injury, which arises from our direct negligence.

The hirer will indemnify Salisbury City Council at all times fully against any liabilities, demands, actions, claims or proceedings arising from or in connection with the hire.

The Council will do everything reasonably practical to prevent injury to individuals and to protect employees and property in general. Hirers of our areas must take responsibility for health and safety and abide by the appropriate regulations and codes of practice.

WEATHER

If the MET office forecast sustained winds of 40mph or above, heavy snow and/or ice or other extreme weather the day before the scheduled event/hire of equipment then the event should be cancelled. You should notify the council and seek agreement of the closure. If agreed the balance of hire/equipment will be brought forward to the next event or a full refund given.

It is the decision of the hirer whether it is safe for the event to proceed on the day. In cases of high winds, or adverse weather, and if, you have loaned or hired any equipment and the hirer cancels the event early the equipment must remain attended until such time as we arrive to dismantle.

If weather conditions are variable it is the Hirer's responsibility to make an assessment of conditions throughout the hire period and take any necessary precautions (i.e. with a gazebo such as adding / re-securing weights, removing sides, lowering completely or calling the council to arrange early collection – subject to resource availability).
