1. Report Summary

- 1.1 This report presents the revised Civic Handbook.
- 1.2 The Handbook is the Council's working framework for civic and ceremonial activity, including the roles of the Mayor and Deputy Mayor, civic protocol, engagements, regalia, the Civic Party and the Order of Precedence.
- 1.3 The purpose of this report is to seek the Committee's consideration of the revised Handbook and to determine what rule should apply where a councillor declines the opportunity to be nominated for Mayor in accordance with the Order of Precedence.
- 1.4 The existing Handbook states that the Order of Precedence is used to determine who will be nominated for Mayor and Deputy Mayor, but it does not state what happens where a councillor declines that opportunity or needs to defer for exceptional personal circumstances.
- 1.5 The Committee is therefore asked to consider three alternative approaches to a declined Mayoral opportunity, together with a separate proposal for a one-year exceptional deferral, and to make recommendations to Full Council for final approval.
- 1.6 The revised Handbook retains the established framework for the Mayor's civic role, Deputy Mayor arrangements, civic precedence, engagements, robes and chains, regalia, ceremonial officers and the Civic Party. It also updates current officer titles, terminology and operational arrangements.

2. Recommendations

It is recommended that the Governance, Policy & HR Committee:

- 2.1 Endorse the draft Civic Handbook 2026, attached at Appendix A, and recommend its approval by Full Council, subject to any amendments agreed by the Committee.
- 2.2 Select one of the three options set out in Section 5 to determine the rule that will apply where a councillor declines nomination for the office of Mayor, and recommend the preferred option to Full Council for approval.
- 2.3 Determine whether the exceptional one-year deferral provision set out in Section 5 should be recommended to Full Council for approval.

3. Background

- 3.1 The Civic Handbook provides guidance for the conduct of civic and ceremonial events and activities undertaken by Salisbury City Council. The existing document is version 4 of the policy, published in May 2021. Its stated review date was May 2024.
- 3.2 The current version 4 of the Handbook states that the Order of Precedence is used to determine who will be nominated to stand for election as Mayor and Deputy Mayor. It also records the existing precedence criteria: date of Mayoralty in Salisbury; a presumption that a councillor serves as Mayor only once; cumulative service; continuous service where cumulative service is equal; and percentage of vote where all other criteria are equal.
- 3.3 The revised version 5 of the Handbook retains the established Order of Precedence criteria and the existing election-year provisions, but neither the current nor draft Handbook sets out the consequence of a councillor declining the Mayoral opportunity. The review provides an opportunity for members to establish a clear rule.

4. Proposal

- 4.1 It is proposed that the Committee considers the revised Civic Handbook and makes recommendations to Full Council.
- 4.2 The revised version 5 of the Civic Handbook includes routine modernisation and a number of substantive operational changes, including civic transport, overseas trips, speeches, Mayoral charity arrangements, Guildhall use, flag flying and other civic administration. The principal changes are summarised in section 11 of this report.
- 4.3 In relation to the Order of Precedence, the Handbook presently guides who is normally approached or nominated but does not create a statutory entitlement to become Mayor. The proposed policy change is intended to clarify the Council's local process where a councillor declines, while preserving Full Council's annual election of the Mayor.
- 4.4 The Committee is asked to consider the three options below. The options provide three distinct consequences where a councillor declines the Mayoral opportunity.

5. Order of Precedence and Mayoral Eligibility - Options Considered

Where a councillor declines the opportunity to be nominated for Mayor;

5.1 Option 1 - Remain in the Mayoral succession order and retain future eligibility

- 5.1.1 The councillor's position in the Order of Precedence would remain unchanged. They would retain their place at the top, or near the top, of the Mayoral succession order and would remain eligible to be considered again in future years.

- 5.1.2 A decision to decline would apply only to that municipal year and would have no lasting impact on the councillor's position within the Order of Precedence or their future eligibility to be nominated for Mayor.
- 5.1.3 As a result, the same councillor could remain at or near the top of the Mayoral succession order for several years if they continue to decline the role.
- 5.1.4 In the absence of any formal rule or guidance governing Mayoral succession, this has been the approach followed in recent years.

5.2 Option 2 - Retain civic precedence but withdraw from future Mayoral succession

- 5.2.1 The Order of Precedence would record the councillor as '**Declined Mayoral Role - [Year]**'
- 5.2.2 The councillor would be placed in a separate category below councillors who have served as Mayor, but above councillors who remain eligible for future nomination.
- 5.2.3 This approach recognises the councillor's length of service for civic precedence purposes while treating their decision to decline as a withdrawal from future consideration under the Mayoral succession process.
- 5.2.4 The councillor would therefore not be approached again for nomination as Mayor through the Order of Precedence.
- 5.2.5 Where more than one councillor falls within this category, their relative position would continue to be determined using the existing precedence criteria.

5.3 Option 3 - Move to the bottom of the Order but retain future eligibility

- 5.3.1 The councillor would move to the bottom of the Order of Precedence but would remain eligible for future consideration as Mayor.
- 5.3.2 All other eligible councillors would move ahead of them in the Mayoral succession order. The councillor could be considered again only when they subsequently rise to the appropriate position within the Order.
- 5.3.3 This option removes the councillor's immediate priority for nomination without permanently excluding them from future Mayoral succession.
- 5.3.4 The Order of Precedence is reset following each election year, at which point the Mayoral succession order would be recalculated in accordance with the approved precedence criteria.

5.4 Separate provision - Exceptional Circumstances Deferral (One-year only)

- 5.4.1 The Committee is also asked to consider a separate provision for exceptional personal circumstances. This would operate independently of the three options set out above and would not be treated as a formal decline of the Mayoral role.
- 5.4.2 Where a councillor who is next in line to be offered nomination as Mayor is unable to accept due to exceptional personal circumstances, the Proper Officer may approve a deferral for one municipal year. In such cases, the next eligible councillor in the Order of Precedence would be approached for nomination for that year.

- 5.4.3 A councillor granted a deferral would not be recorded as having declined the Mayoral role. Instead, they would be given priority consideration in the following municipal year, immediately after the serving Deputy Mayor and before the normal Order of Precedence is applied.
- 5.4.4 The deferral would apply for one municipal year only. It would provide priority for future consideration under the Mayoral succession arrangements but would not constitute an appointment or guarantee that the councillor would become Mayor.
- 5.4.5 Requests for a deferral on exceptional personal grounds should be considered on a case-by-case basis by the Proper Officer. Only the information necessary to reach a decision should be requested and considered. The decision and its rationale should be appropriately recorded, with any personal information handled confidentially and in accordance with data protection requirements.
- 5.4.6 An additional expectational circumstances criterion could also apply in an election year. The election could result in a councillor unexpectedly moving up the Order of Precedence and becoming next in line to be nominated as Mayor. The councillor may have to request the deferral to allow them to make appropriate arrangements to be able to undertake the Mayoral role in the following municipal year.

6. Financial Position

- 6.1 No new budget is requested as a direct consequence of the Handbook review or the proposed Order of Precedence changes. Civic activity will continue to be managed within the Council's approved civic and service budgets.
- 6.2 The Handbook contains activities with financial implications, including civic transport, civic gifts, badges, the Honorary Recorder, hospitality and use of the Guildhall. These remain subject to existing budget provision, Financial Regulations and normal officer controls.
- 6.3 The revised Handbook also updates several operational provisions with financial consequences, including the Mayor's discretionary use of the Guildhall, civic transport arrangements and costs associated with the Honorary Recorder. No additional funding is sought through this report.
- 6.4 The three Order of Precedence options and the proposed exceptional-deferral arrangement have no direct financial impact.
- 6.5 Any expenditure not provided for within existing budgets would require approval in accordance with the Council's Standing Orders and Financial Regulations.

7. Legal and Governance Considerations

- 7.1 Section 15 of the Local Government Act 1972 requires the Chair of the council to be elected annually by the council from among its councillors and requires that election to be the first business at the annual meeting. The Handbook must therefore distinguish between local arrangements for identifying or offering a nomination and Council's statutory annual election.
- 7.2 The Local Government Act 1972 does not prescribe Salisbury City Council's local Order of Precedence or a statutory sequence in which councillors must be invited to accept nomination. The Order of Precedence is therefore a locally adopted governance arrangement. Members may determine how a declined or deferred opportunity affects that order, provided the policy does not hinder the Council's annual election of the Chair of the council.

- 7.3 Accordingly, under Option 2, withdrawal from future Mayoral succession would mean that the councillor is no longer considered for nomination through the Council's Order of Precedence; it would not amount to a statutory disqualification from being elected by Full Council.
- 7.4 The Handbook is classified as a Type 2 policy. For this review, the Governance, Policy & HR Committee is being asked to consider and recommend the revised policy, including the new Order of Precedence rule, before Full Council makes the final approval decision.

8. Strategic and Policy Alignment

- 8.1 The Handbook supports consistent governance of the Council's public-facing civic role and provides a common reference point for Members and officers responsible for civic and ceremonial activity. Clarifying the treatment of declining and deferring the Mayoral opportunity would make the local Mayoral succession process more transparent and administratively consistent.
- 8.2 The revised Handbook should be read alongside the Council's Standing Orders, Financial Regulations, Policy and Procedures Management framework and other relevant governance documents. The Order of Precedence remains guidance for the local nomination process and does not override statutory decision-making by Full Council.

9. Implementation and Next Steps

- 9.1 Subject to the Committee's decision, the next steps will be as follows:
- 9.1.1 Record the Committee's selected Order of Precedence option and its decision on the exceptional one-year deferral provision.
 - 9.1.2 Amend the draft Civic Handbook as required and refer the revised version 5 to Full Council with the Committee's recommendation.
 - 9.1.3 Following Full Council approval, publish version 5, replace version 4 as the current Council document and apply the agreed Order of Precedence arrangements.
- 9.2 Responsibility for preparing the final draft and implementing the approved Handbook will sit with the Head of Corporate Services and Corporate Services team. The Proper Officer would administer any exceptional deferral provision in accordance with the wording approved by Full Council.

10. Key Changes and Application of the Order of Precedence

- 10.1 The principal changes from Civic Handbook Version 4 (2021) to the proposal.
- 10.2 Version 5 (2026) are summarised below. The table highlights material and operational changes for Members and is not intended to be a line-by-line schedule; the draft Civic Handbook at Appendix A should be read in full.

Area	Version 4 (2021)	Proposed Version 5 (2026)
Document ownership and terminology	Version 4 is owned by the Corporate Services Manager and uses titles and terminology including City Clerk, Corporate Support Officers, the Queen and "Purdah".	Version 5 is owned by the Head of Corporate Services and updates references to the CEO, Senior Corporate Officers, the King and "Pre-Election Sensitivity".

Area	Version 4 (2021)	Proposed Version 5 (2026)
Citizenship ceremonies	The Mayor or their representative is required to attend. The text refers to allegiance to the Queen and a business suit.	The Mayor or Deputy Mayor is required to attend. The text is updated for allegiance to the King and refers to business attire.
Mayoress, Consort and Escort	The definition of Consort refers to a male or female supporter.	The definition of Consort is updated to refer to a male, female or non-binary supporter.
Civic engagements	Engagements are routed through Corporate Support Officers and the Handbook contains detailed booking, acceptance and engagement administration provisions.	Engagements are routed through Senior Corporate Officers and the operational wording is simplified while retaining the requirement for engagements to be managed through Corporate Services.
Regalia, honours and decorations	The Handbook includes a two-week return provision for regalia and states that the Mayor, advised by Corporate Services, decides whether decorations are appropriate.	Some detailed regalia wording is removed. For civic events, Corporate Services determines whether the nature or importance of the occasion makes decorations appropriate.
Ceremonial Officers	Honorary Ceremonial Officer appointments are made by the City Clerk and the Corporate Services Manager liaises with the City Beadle.	Honorary appointments are made by the CEO and Senior Corporate Officers liaise with the City Beadle.
Civic Party and invitations	The Mayor, Leader of the Council and City Clerk agree the guest list before each civic function.	The specific three-person guest-list provision is removed. The draft states that inclusion on the civic list does not guarantee an invitation and that the list may be updated to reflect changing relationships and priorities.
Past Mayor / Mayoress badges	The outgoing Mayor receives a Past Mayor's Badge. The Mayor may choose to present a Mayoress/Consort badge, with the option of a gilt badge at personal expense.	The outgoing Mayor will receive a Past Mayor's Badge and the outgoing Mayoress will also be awarded a Past Mayoress's Badge.
Honorary Recorder	The Handbook states that the appointment has no financial implications, other than the possibility of a small gift when the Recorder stands down.	The draft identifies financial implications for the swearing-in ceremony, official scroll and a small gift when the Recorder stands down.
Civic transport	The normal practice is described as hiring a car and chauffeur for selected civic and high-profile events.	The normal practice is updated to the use of taxis, with an executive car available for specified high-profile occasions.
Overseas trips	The Policy and Resources Committee determines whether to accept an invitation. Detailed provisions cover a third attendee, travel costs and invitations to other serving councillors.	Full Council determines whether to accept an invitation. The detailed provisions on a third attendee, travel costs and invitations to other serving councillors are removed from the draft.

Area	Version 4 (2021)	Proposed Version 5 (2026)
Mayoral speeches	The Handbook states that speeches are published on the Council website and that the Business Manager offers support but will not routinely draft speeches unless requested.	Officers may support speech writing; speeches written by the Mayor are to be approved by the Senior Corporate Officer or Communications Officer; and speeches for SCC events will be provided.
Mayoral charity arrangements	Funds are paid into the chosen charity's own bank account and kept separate from SCC systems. The Handbook also sets out a Charity Committee and limits officer involvement.	Funds may be paid into the charity's own account or a Mayoral charity account managed by the Mayor, kept separate from SCC financial systems. The previous detailed Charity Committee and officer-involvement provisions are removed.
Guildhall discretionary use	The Mayor may grant free use of the Guildhall, Monday to Friday, up to four times a year.	The allowance is reduced to up to three times a year. Bookings require Operations Manager approval and charges may apply for linen, crockery, staffing or other additions.
Flag flying	The Handbook lists specific occasions when the City Flag is flown and separate occasions for half-mast.	The City Flag is stated to be normally flown on the Guildhall, subject to the separate Flag Flying and Guildhall External Lighting Policy, with half-mast provisions retained.
Order of Precedence	Annex A contains the 2021/22 Order of Precedence and the established criteria for determining the order.	Annex A is updated to the 2026/27 Order of Precedence. The separate policy decision on declining or exceptionally deferring a Mayoral opportunity is set out in section 5 of this report.

10.3 The changes above are separate from the new policy choice on how a declined Mayoral opportunity should affect the Order of Precedence. That decision, together with the proposed exceptional one-year deferral, is set out in section 5.

10.4 The new Order of Precedence provision would apply only where a councillor declines the opportunity to be nominated, or where an exceptional one-year deferral is approved. A deferral would not count as a decline. Whichever option is selected, the Handbook should state expressly that the Order of Precedence guides nomination only and that the Mayor continues to be elected annually by Full Council.

11. Implications

Implication Area	Impact	Comments / Mitigation
Financial	Low	No new budget is requested. The Order of Precedence and deferral proposals have no direct financial effect; existing civic expenditure remains subject to approved budgets and Financial Regulations.

Legal	Medium	Section 15 of the Local Government Act 1972 requires the Council to elect its chairman annually. The local Order of Precedence may guide nomination but must not bind Full Council's statutory election. Any Proper Officer deferral role must remain administrative.
Risk	Medium	The current Handbook does not state what happens if a councillor declines or needs to defer. A clear adopted rule would reduce ambiguity, inconsistent treatment and avoidable governance or reputational disputes.
Personnel	Low	Implementation is principally a Member-governance and Corporate Services matter and can be managed within existing officer responsibilities.
Environmental Impact	Low	No material environmental impact arises from the Order of Precedence proposals. Wider civic transport arrangements remain within the Handbook and existing operational controls.
Equalities Impact Statement	Low	Any exceptional-deferral discretion should be applied consistently and reasonably. The provision allows exceptional personal circumstances to be considered without automatically treating the councillor as having declined the role.
Community / Public Impact	Medium	The Mayoralty is a public-facing civic office. A transparent local process for nomination and precedence supports clarity for Members, officers and the public while preserving Full Council's annual election.
Procurement / Contractual	Low	No procurement or contractual decision arises from the Order of Precedence proposals. Other purchases associated with civic activity remain subject to normal requirements.
Property / Asset	Medium	The wider Handbook continues to govern civic regalia and discretionary use of the Guildhall. The Order of Precedence proposals do not alter those asset controls.
Data Protection	Low	A request for exceptional deferral may involve personal information. Only information necessary for the decision should be obtained, recorded and retained, with appropriate confidentiality and data-protection controls.

Annex A – The Order of Precedence 2026–27

Annex B – The Civic List

1. Introduction

- 1.1. This handbook provides guidelines for the conduct of civic and ceremonial events and activities for Salisbury City Council.
- 1.2. The guide is intended to be a working document which will be updated and referred to committee, as required.
- 1.3. Salisbury City Council (SCC) was established in April 2009 as part of the local government reorganisation carried out at that time across Wiltshire.
- 1.4. Between 1974 and 2009 Salisbury District Council and Wiltshire County Council were the local government organisations within Wiltshire. In Salisbury, the Charter Trustees were formed during this period to carry on the mayoralty and the ceremonial obligations of the City.
- 1.5. With the reformation of the SCC in 2009, the Charter Trustees and their functions were subsumed into the newly created body.
- 1.6. There are 24 Councillors representing 8 wards:
 - 1.6.1. Bemerton Heath (3 Cllrs).
 - 1.6.2. St Francis and Stratford (3 Cllrs).
 - 1.6.3. Milford (3 Cllrs).
 - 1.6.4. Fisherton and Bemerton Village (3 Cllrs).
 - 1.6.5. St Pauls (3 Cllrs).
 - 1.6.6. St Edmund's (3 Cllrs).
 - 1.6.7. Harnham West (3 Cllrs).
 - 1.6.8. Harnham East (3 Cllrs).
- 1.7. SCC is a Parish Council and derives its income from the precept paid by local residents and from services it provides. It receives no direct government funding. SCC provides, amongst other things, the following services and facilities in Salisbury:
 - 1.7.1. Allotments.
 - 1.7.2. Markets and Fairs.
 - 1.7.3. Parks and Playgrounds.
 - 1.7.4. The Guildhall.
 - 1.7.5. Bemerton Heath Neighbourhood Centre.
 - 1.7.6. Community Development including grants.
 - 1.7.7. The Crematorium and Cemeteries.
 - 1.7.8. Sports Pitches.
 - 1.7.9. Community Grants.
 - 1.7.10. Information for tourists and residents.
- 1.8. The City Council also promotes and represents the city's interests with other Councils, as well as with national and statutory bodies.

2. Roles and Responsibilities of the Mayor:

- 2.1. There are two distinct tasks for the Mayor, which are to be the Chair of Salisbury City Council and to be Salisbury's 'first citizen'. The main tasks are as follows:
 - 2.1.1. To chair Full Council meetings of the Council and enable its business to be carried out in an orderly and proper manner, having regards to statutory obligations and Standing Orders for the conduct of meetings.
 - 2.1.2. To preside, as ceremonial head of the whole Council, over its civic functions and social occasions.
 - 2.1.3. To promote, raise the profile, and gain publicity for projects and events that benefit the City and its citizens.
 - 2.1.4. To celebrate success, both for Council and Salisbury organisations.
 - 2.1.5. To host events, receive and welcome VIP's and observe civic protocol.
 - 2.1.6. To represent the Council at functions as requested.
 - 2.1.7. To support any charities, if chosen by the Mayor, in raising funds.

3. Citizenship:

- 3.1. The Mayor should encourage citizenship and participation in the life of the City.
- 3.2. The Mayor or Deputy Mayor is required to attend the Citizenship Ceremony on the first Wednesday of each month.
- 3.3. The ceremony is conducted by the Registrar where new citizens will swear or affirm their allegiance to the Monarch and make a pledge of loyalty. They will be presented with their Citizenship Certificate, and the National Anthem will be sung.
- 3.4. Mayoral duties at the Citizenship ceremony are likely to include:
 - 3.4.1. Give a short speech extolling the virtues of Salisbury, the importance of voting and the benefits of getting to know their own communities.
 - 3.4.2. Hand out small gifts (supplied by Registrar).
 - 3.4.3. Welcome the new citizens.
 - 3.4.4. Be prepared to be photographed.
- 3.5. The Mayor would be expected to wear business attire and the Mayoral Chain.

4. Roles and Responsibilities of the Deputy Mayor:

At the request of the Mayor;

- 4.1. Deputise for the Mayor, when the Mayor is unable to fulfil the duties of that post
- 4.2. Support the Mayor at annual civic events and other events hosted by the Council
- 4.3. In Deputy Mayor will be the Vice- Chair of the Council and chair Full Council meetings in the Chair's absence.

5. Mayoress/Consort/Escort:

- 5.1. These roles are not recognised by law, although their contribution to civic life is widely appreciated. If the Mayor chooses to appoint a supporter, the role may be undertaken by a spouse, partner, friend or relative of either sex, and is accorded precedence alongside the Mayor.
- 5.2. The title of Mayoress was originally bestowed on the Mayor's wife but may also be applied to any female supporter of the Mayor.
- 5.3. Locally the following definitions apply:
 - 5.3.1. Mayoress – a female supporter of the Mayor, nominated by the Mayor at their Mayor Making.
 - 5.3.2. Consort – a male, female, or non-binary supporter of the Mayor, nominated by the Mayor at their Mayor Making.
 - 5.3.3. Escort – a male or female supporter of the Mayor, who provides support on an occasional or ad hoc manner. The Mayor does not nominate them at their Mayor Making.
- 5.4. It is generally understood that the Mayoress/Consort/Escort will provide assistance as follows: -
 - 5.4.1. To provide personal support to the Mayor.
 - 5.4.2. To accompany the Mayor on engagements.
 - 5.4.3. To support the observance of civic protocol.
 - 5.4.4. To support the Mayor's charity as appropriate.
- 5.5. On occasions when the Mayoress/Consort is unable to accompany the Mayor to an engagement, the Mayor can choose to either attend alone or take another person to accompany them. Should the Mayor wish to take another Escort, it is important that this person does not wear the Mayoress/Consort's chain and that the Corporate Services Department is given advanced notification of the person attending, so they can inform the person/organisation inviting the Mayor.

6. Conduct of the Mayor:

- 6.1. In carrying out their roles, the Mayor, Deputy Mayor, Mayoress, Consort, or Escort should consider the public nature of their office. Behaviour and manner will need to be appropriate at all times and not bring the Council into disrepute. They should follow the advice and guidance issued by the Corporate Services Department and should not:
 - 6.1.1. Attend any function or otherwise give support to any organisation or person whose objectives are contrary to law and/or Council policy.
 - 6.1.2. Solicit engagements or visits or otherwise procure favours by virtue of office.

7. Election of the Mayor and Deputy Mayor:

- 7.1. The Order of Precedence (as shown at Annex A) is used to determine who will be nominated to stand for election to Mayor & Deputy Mayor. It is also used to set an Order of Procession when the Civic Party for the City of Salisbury process 'in state'.

- 7.2. Where a Councillor declines the opportunity to be nominated for Mayor, one of the following provisions will apply:

Option 1 – Remain in the Mayoral succession order and retain future eligibility

The Councillor's position in the Order of Precedence will remain unchanged. A decision to decline will apply only to that municipal year and the Councillor will remain eligible to be considered again in future years.

Option 2 – Retain civic precedence but withdraw from future Mayoral succession

The Order of Precedence will record the Councillor as "Declined Mayoral Role – [Year]". The Councillor will retain civic precedence but will no longer be approached for nomination as Mayor through the Order of Precedence.

The Councillor will be placed below serving Councillors who have previously served as Mayor, but above Councillors who remain eligible for future Mayoral nomination.

Option 3 – Move to the bottom of the Order but retain future eligibility

The Councillor will move to the bottom of the Order of Precedence but will remain eligible for future consideration as Mayor. All other eligible Councillors will move ahead of them in the Mayoral succession order.

The Order of Precedence is reset following each election year, at which point the Mayoral succession order would be recalculated in accordance with the approved precedence criteria.

7.3. Exceptional Circumstances Deferral

- 7.3.1. Where a Councillor who is next in line to be offered nomination as Mayor is unable to accept due to exceptional personal circumstances, the Proper Officer may approve a deferral for one municipal year.
- 7.3.2. A Councillor granted a deferral will not be treated as having declined the Mayoral role. The next eligible Councillor in the Order of Precedence will be approached for nomination for that municipal year.
- 7.3.3. The Councillor granted the deferral will receive priority consideration in the following municipal year, immediately after the serving Deputy Mayor and before the normal Order of Precedence is applied.
- 7.3.4. An additional expectational circumstances criterion could also apply in an election year. The election could result in a councillor unexpectedly moving up the Order of Precedence and becoming next in line to be nominated as Mayor. The councillor may have to request the deferral to allow them to make appropriate arrangements to be able to undertake the Mayoral role in the following municipal year.

8. Councillors Order of Precedence:

The following criteria will be applied in the order shown to determine the Order of Precedence (as agreed at Services Committee on 9 February 2015):

- 8.1.1. Date of Mayoralty in Salisbury – earliest most senior.
- 8.1.2. Presumption of Mayor only once.
- 8.1.3. Cumulative service – the longest cumulative service, including as a Charter Trustee prior to 2009.
- 8.1.4. Continuous service – shortest gap in service most senior, where cumulative service is equal.
- 8.1.5. Percentage of vote cast – where all else equal, highest % of votes cast is senior.

9. The Mayor Elect in an Election Year:

- 9.1. In an election year, the Mayor Elect shall, if re-elected, retain his/her position as Mayor Elect and hence be proposed as Mayor at the Council's Annual Meeting.
- 9.2. If the Mayor Elect is not re-elected then the Deputy Mayor Elect (assuming they are re-elected) will be proposed as Mayor at the Council's Annual Meeting.
- 9.3. In an election year, the Deputy Mayor Elect, shall, if re-elected, retain his/her position as Deputy Mayor Elect and hence be proposed as Deputy Mayor at the Council's Annual Meeting.
- 9.4. If neither the Mayor Elect nor Deputy Mayor Elect are re-elected then the Order of Precedence criteria will be used to determine the Mayoral nominations.

10. Order of Procession for Civic Party:

- 10.1. The order of procession of the Civic Party, if all present and dependent on the occasion will generally be:
 - 10.1.1. The Lord Lieutenant of the County.
 - 10.1.2. The High Sheriff of the County.
 - 10.1.3. The Mayor.
 - 10.1.4. The CEO.
 - 10.1.5. The Mayor's Chaplain.
 - 10.1.6. The Deputy Mayor.
 - 10.1.7. The Chair of the County Council.
 - 10.1.8. City Councillors.
 - 10.1.9. Honorary Freeman.
 - 10.1.10. The Judiciary including the Honorary Recorder.
- 10.2. The order is based upon the Order of Precedence as given by Debrett Etiquette handbook but will be moderated by local custom and practice as the occasion demands.

11. Engagements:

- 11.1. It is essential that every engagement is routed through the Senior Corporate Officers (SCO). Sometimes, the Mayor will be approached in person, by letter, over the

phone, by representatives of the charity, or an organisation asking him/her to attend a function.

- 11.2. The Mayor, in the above instances, is to refer all persons to the Senior Corporate Officers who can advise on the availability of the Mayor and inform them of the proper procedures.
- 11.3. Senior Corporate Officers will send out the appropriate booking form to be completed for all engagement requests. This booking form helps the Mayor to plan a speech and lets him/her know exactly what is expected when he/she reaches the venue. In addition, it prevents the possibility of a clash of functions and helps to plan and organise the Mayor's diary.
- 11.4. An engagement, once accepted, should not be cancelled except for most important reasons and under no circumstances swapped for a later invitation perceived to be more appealing. The organiser of each event sees theirs as being the most important (this could run the risk of adverse publicity).
- 11.5. The Mayor should attend punctually and be ready to take their place at the appointed time, complete with Chain of Office and robes where applicable (see below for guidance).
- 11.6. The Mayoral Scout and Guide may be invited to attend events if deemed appropriate by the Corporate Services Department.
- 11.7. All contact with the Scout and Guide should be through the Corporate Services Department.

12. Chain and Robes:

- 12.1. It is improper to wear civic insignia (i.e. Chain of Office or Robes) at any event where the holder of civic office to which they relate is not present in that capacity. For councillors this applies to robes, which should only be worn on official ceremonial occasions.
- 12.2. There is no right for the Mayor to wear any official civic insignia outside the City unless permission is granted by the relevant Civic Head of the area concerned.
- 12.3. The Corporate Services Department can offer advice for each civic engagement if it is not clear from the invitation what to wear.
- 12.4. On occasions when City Councillors are supporting the Mayor on any of his/her civic duties and the Mayor is wearing the Chain of Office only and not robes, then those Councillors who have been Mayor should wear their Past Mayor's Collar and Badge.

13. General Guidelines for the Wearing of Robes and Mayoral Chain:

- 13.1. The general guidelines for the wearing of the Chain of Office and robes are set out below. If a Mayor is unsure then they should seek guidance from the Corporate Services Department.

14. Functions where robes and chain are appropriate:

14.1. Unless specified by the event organisers not to wear the Chain of Office and permission has been granted by neighbouring Civic Heads, the Mayor will be expected to wear the Chain of Office to all accepted invitations. When it is appropriate to wear all civic insignia would be at:

- 14.1.1. Public functions within Salisbury City attended by a member of the Royal Family (subject to arrangement with the organisers).
- 14.1.2. Annual General Council Meeting (Mayor Making).
- 14.1.3. Civic Church Services.

- 14.2.10. Memorial services.
- 14.2.11. Hospital visits.
- 14.2.12. Military services.
- 14.2.13. Festival of Remembrance.
- 14.2.14. Inspections of units and depots of the armed forces.
- 14.2.15. Bazaars, carnivals.

- 14.2.22. Opening/viewing exhibitions of private organisations.
- 14.2.23. Receptions of private organisations.
- 14.2.24. Sporting events.
- 14.2.25. Opening new premises of commercial organisations.
- 14.2.26. Visits to factories, workshops and other similar places.

14.3. When wearing official Robes and Hats, the Mayor should remove the Hat when:

- 14.3.1. Acknowledging Salutes.
- 14.3.2. During the playing of the National Anthem.
- 14.3.3. In the presence of a member of the Royal Family.

- 14.3.4. During March Pasts, the Mayor should remove and replace the Hat as each section passes the salute.
- 14.3.5. On an inspection when the Mayor passes the Colours.

15. Civic Regalia – Safe Custody Guidelines:

15.1. Council has agreed the following guidelines for the safekeeping of the Civic Regalia. These should be read carefully and adhered to. If there is any doubt regarding the safe custody, use or insurance of the regalia, advice should be sought from the Corporate Team.

15.2. The Council will:

- 15.2.1. Maintain insurance cover for all civic regalia.
- 15.2.2. Be responsible for the maintenance of the regalia including any damage or wear and tear.

15.3. The Mayor, Mayoress/Consort and Deputy Mayor will:

- 15.3.1. Ensure the specific conditions of the Council Insurance are followed as outlined in the guidance below and
- 15.3.2. As far as is practical follow the other guidelines as to the safe custody of the regalia.

15.4. Specific Conditions of the Insurance:

- 15.4.1. The regalia must not be left in an unattended vehicle unless all the doors, windows and other means of access have been secured and locked and all keys of the vehicle removed to a place of safety, and the regalia is placed in the boot of the vehicle or is otherwise out of sight.
- 15.4.2. Where civic regalia is to be taken outside the Guildhall, the Corporate Team must be informed in advance and the appropriate Regalia Sign-Out/Sign-In Form must be completed.
- 15.4.3. Where civic regalia is to be taken outside the United Kingdom, the Corporate Team must be informed sufficiently in advance so that the Council's insurer can be notified and any additional insurance requirements, restrictions or conditions can be confirmed before the regalia is taken abroad.

15.5. Other Guidelines for Safe Custody of Regalia

- 15.5.1. The regalia, unless being worn, should be kept in the case provided by the Council.
- 15.5.2. All Chains of Office and other civic regalia must be formally signed out whenever they are removed from the Guildhall and signed back in when they are returned. The appropriate Regalia Sign-Out/Sign-In Form must be completed on each occasion and retained by the Corporate Team.
- 15.5.3. During any holiday periods, or when it is likely that the Mayor, Mayoress/Consort and/or Deputy Mayor will be away from home, the regalia should be returned to the Corporate Team for safekeeping.
- 15.5.4. The regalia should not be left unattended in its case.

- 15.5.5. Members should not attempt to clean the regalia other than with a soft cloth. Any damage or wear and tear should be reported to the Corporate Team as soon as possible.
- 15.5.6. Regalia should not be loaned or placed in the custody of any other person other than an authorised officer of the Council.
- 15.5.7. The Mayor, Mayoress/Consort and Deputy Mayor should inform the Corporate Team immediately if their Chains of Office are lost, mislaid, stolen or otherwise missing, so that the Council's insurers can be informed.

16. Wearing of Honours & Decorations:

16.1. The occasions when decorations may be worn can be divided into two categories:

- 16.1.1. When The Monarch or a Member of the Royal Family is present.
- 16.1.2. On all other occasions.

16.2. For civic events, the Corporate Services Department will decide whether the nature or importance of the occasion makes it appropriate for decorations to be worn and then issue instructions on the invitation cards/letters. Even so, on all such occasions the wearing of Insignia is entirely at the discretion of the holder.

17. Ceremonial Officers:

17.1. Ceremonial Officers include the City Beadle, the Assistant City Beadle, the Sergeant at Mace and the Macebearers. The Senior Corporate Officers will liaise with the City Beadle to ensure Ceremonial Officers are present at appropriate civic events.

17.2. These are honorary appointments, made by the CEO.

18. The Civic Party:

18.1. The Civic Party represents the Civic, Community and Business Leadership of the City at events. The purpose of including the Civic Party at civic events is:

- 18.1.1. To ensure good links are maintained between the Council and other local bodies – that is to allow informal networking between decision makers across the city to ensure mutual understanding of roles and responsibilities.
- 18.1.2. To acknowledge the contribution and commitment that local people show towards the city.
- 18.1.3. To show visitors and guests the strength and depth of support for them by the civic community of Salisbury, e.g. Freedom of the City.
- 18.1.4. To provide colour, pomp and ceremony to enhance the historical tourism appeal of Salisbury City, particularly at Mayor Making.
- 18.1.5. To thank, where necessary, community leaders by offering them hospitality.

18.2. The Civic Party's primary role at civic events is to be seen, to move around the city in robes & uniform where possible, inviting public attention and interest in civic events, and thereby the Council and local democracy.

18.3. At the Mayoral Receptions to which members of the Civic Party are invited, their role is to allow Councillors and Officers to establish lines of communication and understanding across the city's community.

19. Composition of the Civic Party:

19.1. The civic list has been arranged into groups. Being on the list does not guarantee an invitation to an event.

19.2. This list is not closed; individuals or groups can be added at any time to reflect the changing relationships and priorities of the City Council. This list acts as an Aide-Mémoire to ensure all sectors of the community are considered when inviting guests to civic occasions

20. Past Mayors, Mayoress & Consorts and Clerks/CEOs:

20.1. Past Mayors, Mayoresses and Consorts and Past Clerks/CEOs form part of the civic party.

20.2. The out-going Mayor will be awarded a Past Mayor's Badge at Mayor Making.

20.3. The out-going Mayoress will also be awarded a Past Mayoress's Badge.

20.4. The Mayoresses, Consorts, and Escorts of deceased Past Mayors form part of the civic party.

21. Honorary Recorder for the City:

21.1. The Honorary Recorder is traditionally a Senior Criminal Judge who sits in Salisbury Law Courts.

21.2. The appointment of an Honorary Recorder is made by Full Council. It does not attract any payment of expenses and is purely an honorary role and does not entail any specific duties, although the Recorder usually attends and is involved with civic ceremonial events such as the annual Mayor Making, Remembrance Sunday, etc.

21.3. Financial implications associated with the appointment of an Honorary Recorder include the ceremony to swear them into the role, the official scroll, and a small gift at the standing down of the Recorder to mark their service.

22. Transport:

22.1. The current practice is to hire a taxi for selected civic and high-profile events. There is a limited budget for this which required careful management and scrutiny.

22.2. Events where an executive car may be used would include:

22.2.1. When The Monarch or a Member of the Royal Family who is a Royal Highness is present.

22.2.2. Functions where there is an expectation that the Mayor will have official transport as determined by the Corporate Services Department.

22.3. The Mayor may also exercise the use of taxi transport within budgetary confinements to undertake official duties. An official duty is one for which an official invitation has been received by the Senior Corporate Officers. The Senior Corporate Officers will arrange this for the Mayor.

23. Overseas Trips:

23.1. Full Council will determine whether to accept an overseas trip invitation.

23.2. The Civic Party for overseas trips will be made up as follows:

23.2.1. The Mayor – If the Mayor is unavailable or does not wish to go, the next in line will be the Deputy Mayor, then the immediate past Mayor. If none of these three councillors can go the request will be declined.

23.2.2. The Mayoress/Consort – If the Mayor is not going then the Mayoress/Consort of the Deputy/immediate past Mayor.

24. Speeches:

24.1. During the Mayoral year, the Mayor will be called upon to make many speeches.

24.2. Officers can provide support with speech writing. If speeches are written by the Mayor, they are to be approved by the SCO or Communications Officer.

24.3. Speeches for SCC events will be provided.

25. Charity:

25.1. Each year, the Mayor can choose to raise money for charity/charities of their choice during their year of office, however this is not compulsory. The charity/charities chosen must be registered with the Charities Commission and would preferably be local.

25.2. All funds raised on behalf of the Mayor's chosen charity must be paid into the charity's own bank account, or a Mayoral charity account that is managed by the Mayor and kept totally separate from Salisbury City Council's financial systems.

25.3. Incoming Mayors are requested to seek the advice of the Corporate Services Department before deciding which charity to support during their year. The choice of charity can have implications for the City Council and needs full consideration.

26. Gifts:

26.1. Generally, the Mayor (and Deputy Mayor) may accept minor tokens of goodwill or flowers as personal gifts. Other gifts may not be retained by the Mayor either during their Mayoral year or after and shall be passed to the CEO who shall manage such gifts on behalf of the Council.

26.2. The SCO will obtain civic gifts to be given out as required. These will be used upon the following types of occasion:

Ambassadors or other visiting dignitaries representing the City elsewhere
Gift taken to the Council's twinned and sister cities
Presentations upon an occasion such as the wedding of an important local dignitary, military parade
Small gifts to visitors such as volunteer organisations, youth groups etc.

26.3. It is good practice to write a letter of thanks for any gift received and the Corporate Services Department can assist with this as necessary.

27. Budgets:

27.1. The Civic budget is limited and the Mayor should be wary of promising hospitality to any group or organisation without first discussing with the Head of Corporate Services.

27.2. Incorporated in the civic budget the Mayor has the discretion to grant the use of the Guildhall, Monday to Friday for up to three times a year free of charge, to any public, private, charitable or voluntary organisation who request such use. This privilege should be exercised by the Mayor on an equal, non-discriminatory basis, where he or she should prioritise the suitability of such requests by those applying.

27.3. The bookings should go through the Operations Manager for approval. Charges may apply for linen, crockery, staffing, or other additions to the booking. The Operations Manager will discuss this with the person making the booking. All bookings are at the discretion of the Operations Manager.

27.4. The CEO will brief the Mayor on the civic budget at the beginning of the Mayoral year.

28. Flag Flying:

28.1. The flying of flags will be governed by local custom and in accordance with guidelines provided by the [National Association of Civic Officers](#).

28.2. The City Flag will be always flown on the Guildhall, excluding specific occasions as laid out in the [Flag Flying and Guildhall External Lighting Policy](#).

28.3. The City Flag will be flown at Half Mast on the following occasions:

28.3.1. From the notification of death until sunset on the day of the funeral of a serving or past Mayor, serving or past Mayoress or Consort, or serving City councillor.

28.3.2. On special occasion of civic lament, to be decided upon by the Mayor in discussion with the CEO.

29. Neutrality and Pre-Election Sensitivity:

- 29.1. During the Mayoral Year; the Mayor reduces his or her political profile. Mayors generally go out of their way to display their even-handedness in political matters during the year. It would be inappropriate for an individual to be associated with a contentious issue or election process, which confuses roles. The Mayor should also maintain this a-political role when chairing Council meetings.
- 29.2. The Mayor may need to consider how ward business can be kept up to date during their Mayoral year. The Mayor may wish to discuss this with their Group Leader and/or fellow Ward Councillors.
- 29.3. Special conditions apply to the issue of publicity in the period leading up to elections. During the period of 28 days or so leading up to an election, the Council must take special care not to issue any publicity that might conceivably be perceived as having the potential to influence the outcome of the poll.
- 29.4. To ensure compliance with the various Acts and Publicity Code, the Council therefore enters a period of Pre-Election Sensitivity in the 28 days leading up to an election where it will avoid issuing any publicity in the name of or associated directly with any Councillor.
- 29.5. The Chairman is strongly advised to ensure the dates of major civic events are arranged to ensure there is no conflict with the pre-election period.
