Issue Details

Location of Issue:	The junction of Chiselbury Grove with Old Blandford Road, Harnham, SP2 8EP
Community Area:	Salisbury
Parish or Town Council:	Salisbury City Council
Nature of Issue:	
Vehicles are legally allowed to park on the side of Old Blandford Rd either side of the Chiselbury Grove road exit. Especially when these parked vehicles are high-sided, it is not possible to view vehicles exiting Chiselbury Grove (from Old Blandford Rd) until the driver is nearly upon the exit itself. Earlier today there was a near-miss with a vehicle driving down Old Blandford Rd (at legal speed limit) with traffic driving-out of Chiselbury Grove into their 'blind-spot' due to parked vehicles. It is of serious concern to personnel living in Chiselbury Grove that this exit (with parked vehicles) is often 'blind' to Old Blandford Rd, transiting traffic. In order to 'illustrate' this issue please see the accompanying photos which, with their titles, highlight this issue.
