

APPLICATION

When completing your application, you must provide all information and documents as requested on the application. We can only consider applications with all required paperwork

When signing your application form you are confirming that you have read and will comply with these terms and conditions, also to observe and abide by such other instructions as may be made from time to time by the Council or their Officers.

No Showman has any rights to attend any Event, however long they may have attended an event. The successful applicant will have no rights to further events either of the same name or similar.

SUBLETTING

Showman **are not permitted** to sublet, sub-contract nor share any part of their allocated site. If you are unable to attend, then you must cancel and Salisbury City Council will offer the space to another applicant. Any showman found to sublet will be unable to apply for any future events.

PAYMENT

The fee shall be payable in respect of the ground let and will be required prior to the event as indicated on the invoice provided. If payment is not made by this time, then this may result in non-allocation of space. In the event of the ground not being occupied the rent will be forfeited.

SET UP AND POSITION

All rides shall be placed in such a position as allocated by the acting Council Officer (which shall include the Business Manager or any other Council Officer) acting on behalf of the Council.

Showmen's Guild rights to land do not apply to Salisbury City Council Events.

Walkways must be a minimum of 1.1 meters wide. Any requests from the Council or Safety Officer to move amusements/stalls for a safety related issue or for any reason the Council deems necessary should be complied with by all Showmen.

Use of the ground shall not be taken before your allocated build time given by the Council Officer on site.

When accessing the site please drive at 5mph with hazard lights on. Please take care when driving on/off site and be aware of staff, pedestrians and members of the public that may also be site during this time.

USE OF GROUND

Any persons obtaining ground in a fictitious name, or for a purpose other than that mentioned in the application will not be allowed to occupy the ground and the rent will be forfeited.

PROHIBITED ACTIVITIES

Animals, birds or fish may not be exposed for sale or offered as prizes in any part of the event.

PARKING

No living vans shall be allowed on the site. All empty cars, vans and trucks must be removed from the ground before the opening of the ride, stall or exhibition and parked off site in accordance with the instructions of the Council.

Large vehicles with generators that are granted permission to remain on site will be issued with a parking permit by the Council.

All other vehicles not permitted to be on site will be issued with parking tickets.

Various locations around the edges of the site must remain clear and accessible to the emergency services at all times for the duration of the event. Parking is strictly not permitted in these areas. Anyone parking in these areas will be issued with a parking ticket. Anyone failing to adhere to the parking restrictions could risk future applications.

POWER

All Showmen using the Council power supply need to ensure that all portable appliances (light fittings, computer tills, scales, music systems, refrigeration equipment etc.) have been Portable Appliance Test (PAT) within the last year and can provide evidence of such for example as part of your Electrical Test Certificate. The Council cannot guarantee the use of their electrical supply to any Showmen and can refuse allocation of power.

All lighting, power or other cables shall be properly insulated and laid or suspended to the requirements of the Council and Safety Inspector so as not to be dangerous or to cause obstruction. Cables must be suspended a minimum of 2.2 meters off the ground.

The exhaust pipes of all generating engines (which must be silent running) used on the Fair must discharge less than 10ft from ground level and shall be directed away from adjacent buildings. Reasonable care shall be taken to shield the noise of such engines from occupiers and adjacent buildings.

Drip trays with sand must be placed under all generators and vehicles. **ONLY SILENT RUNNING GENERATORS WILL BE ALLOCATED SPACES ON SITE.**

DAMAGE

Any damage during the event to buildings, walls, concrete, tarmac, paving or other roadways, hydrants, meters, water taps and services and electrical supply services etc by the applicant or his/her employees, is to be paid for by the applicant.
